

## Season Tickets for Our Forthcoming Redpath Chautauqua

In arranging to inaugurate this chautauqua this year the local committee bought 1,000 \$2.50 season tickets, which will be sold, while they last, by them for \$2.00 each.

When these tickets are exhausted no season tickets thereafter can be had for less than \$2.50. Also, the price of season tickets will not be reduced from the first day to the close of the chautauqua.

The single admissions to the different sessions of this chautauqua aggregate more than \$8.00, so it will pay you to buy a season ticket even after the program is half completed. For the single admissions to the respective entertainments see program. Season tickets are non-transferable except within the owner's family.

CHILDREN'S TICKETS admit children aged six to fourteen years inclusive. All children are admitted to the children's work free.

### She Stayed In Bed.

Ingram, Tex.—"Ever since I became a woman," writes Mrs. E. M. Evans of this place, "I suffered from womanly troubles. Last fall I got so bad, I had to stay in bed for nearly a week every month. Since I have taken Cardui, I feel better than I have for years." You can rely on Cardui. It acts on the womanly organs and helps the system to regain its normal state of health, in a natural way. Prepared especially for women, it prevents womanly pains, by acting on the cause, and builds up womanly strength in a natural way. Purely vegetable. Mild, but certain in action. Try it.

### Pair of Hikers.

Lorenzo and Dixie Madero, twin brother and sister, reached Nashville Wednesday morning from Chicago, having walked the whole distance, they say, to win a wager of \$2,400. They left Chicago at 8:30 on the morning of May 13, with a stipulated time of eight weeks to make the trip, and did the distance in exactly half the time allowed.

The two are circus performers, making a specialty of trapeze and bareback riding performances, and of course, Madero is not their real name. No amount of persuasion could extract from them their right names.

### Cures Stubborn, Itchy

#### Skin Troubles.

"I could scratch myself to pieces" is often heard from sufferers of Eczema, Tetter, Itch and similar Skin Eruptions. Don't Scratch—Stop the Itching at once with Dr. Hobson's Eczema Ointment. Its first application starts healing; the Red, Rough, Scaly, Itching Skin is soothed by the Healing and Cooling Medicines. Mrs. C. A. Einfeldt, Rock Island, Ill., after using Dr. Hobson's Eczema Ointment, writes: "This is the first time in nine years I have been free from the dreadful ailment." Guaranteed. 50c., at your Druggist.—Advertisement.

### Down To Death.

At Goldfield, Nev., four people were killed when an auto went over a steep decline.

Dr. E. A. Wheeler, one of the best-known physicians of Nevada, who was driving the car, turned out to avoid another machine, skirted the edge of an embankment too closely and plunged over. Dr. Wheeler and Daniel Felvey were pinned under the car and killed outright. Cyrus Rice and Herman Kruger died in a Goldfield hospital. One other passenger escaped with bruises.

#### Emotions Expressed in Dancing.

In the Vedas of the Hindus, some of which date back 6,000 years before Christ, there is steady reference to dancing as an expression of triumph, worship, and even the deepest grief. It is the same in the Zendavestas of the Persians. Dancing with cymbals and tambourines, with bells tied to their ankles and wrists or around their waists, was an art that the priestesses in the temples must understand.

#### Charity.

The charity that begins at home and remains there is anemic. An occasional outing will do it good.—Judge.

### Blackberry Outlook.

A country merchant who visited Lebanon a few days ago brought in a blackberry briar to show the town folks the blackberry prospect. The bush was literally hanging full of blossoms, and it looked mighty good to devotees of jam, cordial, pies, preserves and other good things which the rural housewives fix up when the blackberry crop is large. We rejoice to know that the outlook is so favorable. There's no sort of all-purpose berry like the blackberry. It is in a class by itself and it grows anywhere and everywhere—and nowhere better than in Kentucky.—State Journal.
